

9T72 High Capacity Cart

Provides a maximum storage capacity on a reduced footprint.

- High capacity, leak-proof waste bag (129L) with improved zipper and bag strength
- Comfort Grip cart handle provides easy manoeuvrability for all size users, includes lobby dust pan/vacuum holder
- Comes equipped with 2 sanitising caddies (10L)
- Hooks hold up to four Safety Signs
- Features Lock'N Go system, allowing attachment of the new Q920 Microfibre Pedal Wring Bucket directly to the cart
- Non-rusting and easy-to-clean aluminum and structural web plastic construction
- Mop handle holder grips for all sizes, secures mop & broom handle to the cart
- Large platform designed to accept an optional Brute Container (2632 & 2643) and various buckets (WaveBrake™ Combo 7577 & 7578, Combo Bucket 01221, and Press Wring Bucket Q920)
- Features 2 swivel casters (10 cm) and 2 wheels (20 cm)
- Optional locking doors and security compartment, to secure contents

High Capacity Cart 9T72 with the Pedal Wring Bucket Q920
